ABOUT US

It's the Right Time to Choose the Right Way of Success. The aim of this Future Trends 2024 International Conference on Power and Renewable Energy is to provide the platform for researchers across the world to recognize their achievements and also provide a forum to the appropriate target group by organizing planned annual meetings with the aim of generating new knowledge and better understanding. Our world is undergoing a revolutionary period in the creation and dissemination of new knowledge and innovation in many disciplines. Simultaneously, humans are on a journey to the achievement of self-actualization, which relates to the ultimate fulfillment of one's potential. The unprecedented levels of discovery and innovation that are the hallmarks of recent decades are giving birth to entirely new meetings, which are in turn stimulating further advances, new opportunities, and fresh insights and serving as a 'Continuing Force for Progress'. To improve the common man's life by developing new innovative medical and engineering ideas, technical tools or models, or products of their need. These new ideas and knowledge may be disseminated to the common man by organizing conferences, workshops, seminars, and/or awareness programs and by publishing high-quality academic international books or pamphlets on any subjects/topics that are related to the overall growth, improvement, or uplift of all sections of society.

ABOUT CONFERENCE

This international conference focuses on electrical installations, operations, and safety within power and renewable energy. It features high-quality technical papers, tutorials, and professional development opportunities.

Through meticulously planned annual gatherings, the aim is to promote the exchange of fresh knowledge and foster understanding among the intended audience. Presently, our world is undergoing a significant shift in knowledge and innovation dissemination across diverse fields. As individuals strive for self-fulfillment, realizing their full potential becomes imperative. The objective is to enrich people's lives by introducing innovative medical and engineering concepts, technical tools, models, or products customized to their requirements.

What are the reasons for attending ICPRE 2024?

- Establish secure connections with colleagues in the scientific community during our virtual event.
- Receive physical copies of Presentation/Participation Certificates delivered to your designated address.
- 1-year membership is given as complimentary to the participant, offering access to all virtual conferences throughout the year.
- Following the conference, the session chair will select the recipients of the Best Presentation and Best Paper awards.

CALL FOR PRESENTATION

Abstracts and papers for presentation in the conference are invited from practitioners, Engineers, research scholars, and P.G. & U.G. Students, etc. Authors are requested to send abstract or paper by e-mail: conferencecouncil2@gmail.com

CONFERENCE TOPICS

1. Solar Energy
2. Electric power
3. Wind
4. Renewable Energy Source
5. Energy Management & Energy Efficiency
6. Concentrating solar power
7. Power System
8. Recent Advances in Power Systems
9. Recent Advances in Power Electronics
10. Control Applications in Modern Power System
11. Soft Computing Applications in Modern Power and Energy Systems
12. Energy Storage, Battery Charging Techniques, and Management
13. Distributed Generation and Grid Interconnection
14. Dielectrics for energy storage
15. Power electronics and motor control
16. Energy Policies and Standards
17. Electrical Automation
18. wireless Charging
19. Bio & Functional Dielectrics

BENEFITS OF THE MEMBERSHIP

- Members can become Chief guest / speaker, session chair, co-host, and co-organizer of the Events
- Members can attend all the virtual conferences at no cost until the membership gets over
- Members can attend 2 Physical conferences at no charge Members profile will be nominated for the Award
- Members can conduct conference in their institute, and conference certificates will be provided from our organization.
- A softcopy of the Proceeding will be given for each and every conference
- A hard copy of the participation and award-winning certificates will be sent by post to the residential Address.

Award Nomination Categories

- Best Speaker Award
- Best Oral/Poster
- Presentation Award
- Best Paper Award
- Best Speaker Award
- Best Environmental Scientist
- Excellence Award
- Green Energy Award
- Energy Efficiency Awards
- Mercom India Awards
- Research Excellence Award
- Best Faculty Award
- Environmental Research Prize
- Energy & Environmental Science (EES) Lectureship
- Award for Environmental Research
