DEAR ATTENDEES,

This award ceremony is a unique international platform that's a confluence of all stakeholders of the ecosystem – Industry, Academia, Researchers, Innovators, Regulators. Research Awards 2026 strives to offer a professional awards program that encourages and recognizes the accomplishments of project management professionals and organizations around the world. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, a special panel discussions, and livelier interaction with industry leaders and experts. We look forward towards Join in this Process..

ABOUT US

It's a Right Time to choose the Right Way of Success, Aim of VDGOD International Conferences, Open Access Journals and Awards is to provide the Platform for Researchers across the world to recognize their Achievements, and also its provides a forum to the appropriate target group by organizing Planned Annual Meetings with the aim of generating new knowledge and better understanding. Our world is undergoing a revolutionary period in the creation and dissemination of new knowledge and innovation in many disciplines. Simultaneously humans are on a journey to the achievement of self-actualization, which relates to the ultimate fulfillment of one's potential. The unprecedented levels of discovery and innovation that are the hallmarks of recent decades are giving birth to entirely new meetings, which are in turn stimulating further advances, new opportunities, fresh insights and serve as a 'Continuing Force for Progress'. To improve the common man's life by developing new innovative Medical and Engineering ideas, Technical tools or models or products of their need. These new ideas and knowledge may be disseminated to the common man by organizing conferences, workshop, seminars and/or awareness programs and by publishing high quality academic international Books, or Journals, or Magazines or Tracts/Pamphlets on any subjects/topics, which is related to the overall growth/improvement/uplift of all sections of society.
