About Us

Brainy Meet is a part of VDGGOOD Professional Association works for Students, Professors, Scholars and other professionals by conducting various conferences in wide range of subject, Aim of Brainy Meet International Conferences is to provide the Platform for Researchers across the world to recognize their Achievements, and also it provides a forum to the appropriate target group by organizing Planned Annual Meetings with the aim of generating new knowledge and better understanding. The unprecedented levels of discovery and innovation that are the hallmarks of recent decades are giving birth to entirely new meetings, which are in turn stimulating further advances, new opportunities, fresh insights and serve as a 'Continuing Force for Progress'.

Call for Presentation

- Abstract/ Paper for presentation in the conference are invited from Practitioners, Research Scholars and P.G. & U.G. Students.

About Conference

We are glad to announce the 1st International Conference on Agricultural and Biological Science to be held on 19 & 20- Jul- 2024 organized by Brainy meet and its editorial Board Members. The event aims to bring together leading researchers, scholars, academicians, and practitioners to share their ideas and research findings in the fields of Herbal and Traditional Medicine The conference is designed to provide a platform for participants to exchange insights and share their knowledge and experiences on developments in cutting-edge research, new innovations, and discoveries in these fields. The conference provides a unique opportunity for networking, discussions, and collaboration,

Who Should Attend

- Directors, CEO's of Organizations
- Business Development Managers
- Chief Scientific Officers
- Professors, Associate Professors, Assistant Professors
- PhD Scholars
- Patent Attorneys
- Intellectual Property Attorneys
- Investment Analysts
- Association, Association presidents and professionals
- Formulation and Pharma Manufacturing companies
- Medical technology companies
- Universities and institutes
- Intellectual property and legal organizations
- Investors and financial services providers
- Bio-clusters and incubators
- Government and public support agencies
- Cosmetic companies
- Generic drugs and Biosimilars

Key Features

- 1 year Individual membership
- Hard copy of certificate will be sent to your address
- Best Presentation will be selected by session chairs
- Interact With Eminent International Speakers
- Showcase your latest research findings through either the means of an oral or poster presentation

Key Features

To improve the common man's life by developing new innovative Medical and Engineering ideas, Technical tools or models or products of their need. These new ideas and knowledge may be disseminated to the common man by organizing conferences, workshop, seminars and/or awareness programs and by publishing high quality academic international Books, or Journals, or Magazines or Tracts/Pamphlets on any subjects/topics, which is related to the overall growth/improvement/uplift of all sections of society

Why should one attend a Conference?

Why should one attend a Conference?

In today's fast changing world, attending a conference has become a "must" to survive in an academic discipline. Many academics have become aware of this fact as the number of conferences and participants increase dramatically. Conferences offer benefits that you simply can't get hermetically sealed in your cube. Attending international conferences allows you the opportunity to listen to different points of view and to learn new ideas and trends in your field across the Globe. Meeting new people with different cultures and dispositions enlightens your way of thinking in your field of study. You will witness some of the many different aspects and solutions which exist on the same issues.

They also provide you with new techniques, new types of equipment, data to publish, and certain facts that you may not have heard of. International Conferences present numerous invaluable opportunities to refine your vision by learning new skills in a different environment.

- Interact With Eminent International Speakers
- Participate in Stimulating Case discussions
- Join Special Interest Groups
- Access New and Profound Research Ideas
- Showcase your latest research findings through either the means of an oral or poster presentation

AWARD CATEGORIES

- **Best Paper Award**
- **Best research paper presentation award**
- **Best Oral/ Poster Presentation Award**
- **Best Speaker Award**
- **Best Faculty Award**
- **Academic Research Award**
- **Research Excellence Award**
- **Research Contributor Award**
- **Inspirational Agricultural and Biological Science Award**
- **Young Agricultural and Biological Science Researcher Award**
- **Innovative Researcher Award**
- **Emerging Agricultural and Biological Science Researcher Award**
- **Young Achiever Award**
- **Best Service Award**
- **Career Contribution Award and More....**

Scope and Benefits

- It will be a perfect platform for Faculties, Professors, academicians to express their innovative thoughts and unique research work at a global platform.
- It will provide scopes to faculties to meet and interact with International Speakers and Scientists of National importance. Professors can interact with session chairs related and working on relevant fields of their research.
- To further redefine their innovations professors can consider the advices and technical suggestions of our chairs

MEMBERSHIP BENEFITS

- Members can become Chief guest / Keynote speaker/ Session Chair/ Co host & Co-organizer of the Events.
- Members can attend all the virtual conferences at free of cost until the membership gets over.
- Members can attend 2 Physical conferences at free of cost.
- Members can conduct conference in their Institute and conference certificates will be provided from our organization
- Member can become the reviewer/ Chief Editor of the Journal Members can publish their Review / Research in International Journals
