## About Us

It is an opportune moment to embark on the journey to success. VDGGOOD is International Conferences and Open Access Journals are dedicated to providing a platform for researchers worldwide to present their accomplishments. Through meticulously planned annual gatherings, the aim is to promote the exchange of fresh knowledge and foster understanding among the intended audience. Presently, our world is undergoing a significant shift in knowledge and innovation dissemination across diverse fields. As individuals strive for self-fulfillment, realizing their full potential becomes imperative. The objective is to enrich people's lives by introducing innovative medical and engineering concepts, technical tools, models, or products customized to their requirements. These advancements and insights can be shared with the public through conferences, workshops, seminars, awareness initiatives, and the publication of high-quality academic materials such as international books, journals, magazines, or pamphlets covering topics that contribute to the overall advancement and betterment of society.

## About Conference

We are glad to announce the 8th International Conference on Animal Science and Veterinary medicine to be held on 28 & 29 -Nov-2025 organized by VDGGOOD and its editorial Board Members. This event aims to bring together leading researchers, scholars, academicians, and practitioners to share their ideas and research findings in the fields of veterinary and Animal Science. The conference is designed to provide a platform for participants to exchange insights and share their knowledge and experiences on developments in cutting-edge research, new innovations, and discoveries in the veterinary and Animal Science fields. The conference provides a unique opportunity for networking, discussions, and collaboration.
