

International Conference on Engineering, Science and Management

28-Apr-2023 | Starts at 10 am

Mode: Virtual Conference

About VDG00D

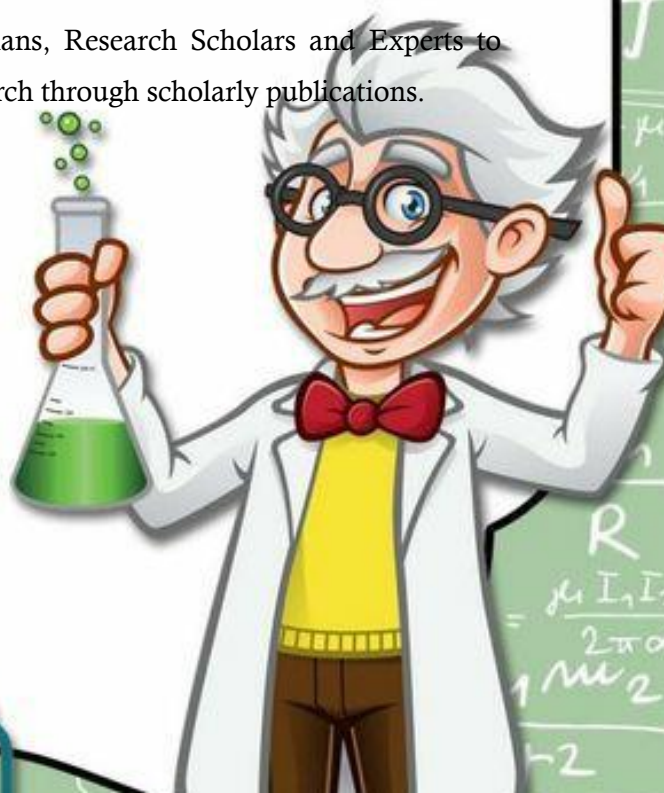

VDG00D working towards finding the New Innovations to make life easier in all aspects, Innovation is the process of creating and implementing a new idea. It is the process of taking great ideas and converting them into useful products to general life. These useful ideas are the result of creativity, which is the prerequisite for innovation.

Introduction to the Conference

The 'International Conference' spanning over one day is meticulously designed to bring together renowned academicians, honoured researchers from distinguished institutions, Industry leaders and practitioners as well as doctoral Women. With the greatest minds across the globe, a simulation will be developed on 'Research, Education and Innovation' to deliberate its influence on Research of Science, Education and the Innovation as a whole. The conference will provide a unique platform to the participants to evolve their ideas and cogitation as they listen to a well-crafted panel discussion along with thought-provoking speaker sessions.

Objectives

- Bring together professionals in the field of Research from around the globe with the purposing of encouraging innovative ideas and sharing diversified knowledge and international experiences.
- Provide indispensable exposure to the audience promoting the highest utilisation of research knowledge.
- Provide a key platform for renowned Academicians, Research Scholars and Experts to Disseminate knowledge and present ongoing research through scholarly publications.

- Facilitate career development of all participants and provide opportunities to network and build connections with professionals with shared interests.

Why do I need to attend ICESM 2023?

- Virtual Event – At this pandemic situation, it's the safest way to keep closer to the other scientists.
- Hard copy will reach at your doorstep.
- Participant's name will be nominated to "Research Awards 2023"
- Attendees will get 6 month membership at free of cost.

A scientific account will be open & will maintain to keep and promote your records for next 6 months.

Call for Presentation
