Dear Attendees

We are glad to announce the International Conference On Numeric Analysis to be held on 12 & 13-Apr-2024 organized by VDGGOOD and its editorial Board Members. This conference is a unique international platform that's a confluence of all stake holders of the ecosystem – Industry, Academia, Researchers, Innovators, Regulators – gather to present and discuss about the above said areas. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Objective

The Objective of the conference is to provide platform for academicians, researchers and practitioners to:

- Disseminate research, providing insights into the challenges and opportunities, emerging strategies and analytical tools in the domain under the research field
- Share innovative ideas on domain so as to navigate and develop successful new innovation Present case studies from applications of cutting-edge tools and technologies

About Us

It's a Right Time to choose the Right Way of Success, Aim of This International conference on chemistry , is to provide the Platform for Researchers across the world to recognize their Achievements, and also its provides a forum to the appropriate target group by organizing Planned Annual Meetings with the aim of generating new knowledge and better understanding. Our world is undergoing a revolutionary period in the creation and dissemination of new knowledge and innovation in many disciplines. Simultaneously humans are on a journey to the achievement of self-actualization, which relates to the ultimate fulfillment of one's potential. The unprecedented levels of discovery and innovation that are the hallmarks of recent decades are giving birth to entirely new meetings, which are in turn stimulating further advances, new opportunities, fresh insights and serve as a 'Continuing Force for Progress'. To improve the common man's life by developing new innovative Medical and Engineering ideas, Technical tools or models or products of their need. These new ideas and knowledge may be disseminated to the common man by organizing conferences, workshop, seminars and/or awareness programs and by publishing high quality academic international Books, or Journals, or Magazines or Tracts/Pamphlets on any subjects/topics, which is related to the overall growth/improvement/uplift of all sections of society.

Call for Presentation

Abstract/ Title for presentation in the conference are invited from Researchers, Professors, Practitioners, Research Scholars and P.G. & U.G. Students, etc. Authors are requested to send Abstract/ Title to e-mail: iconvirtual2024@gmail.com

Target Audience

- Faculties
- Educators,
- Students,
- Researchers

Conference Topics

- Advanced Organic & Inorganic Chemistry
- Analytical Chemistry
- Green and Sustainable Chemistry
- Physical Chemistry
- Theoretical Chemistry
- Polymer Chemistry
- Pharmaceutical Chemistry
- Materials Chemistry
- Biochemistry
- Chemical Engineering
- Chemistry in Clinical Research
- Computational Chemistry

And other topics related to Chemistry

Why do I need to attend ?

- Virtual Event - it's the safest way to keep closer to the other scientists.
- Hard copy of Presentation/ Participation Certificate will reach at your doorstep. Presenters will get 1 year membership (You can attend all virtual conferences at free of cost for the next 1 year)
- Best Presentation, Best Paper and Best Speaker will be chosen by the Session chair after the Conference

Guidelines for Abstract Submission

- The abstract should not exceed 400 words.
- Font face: Times New Roman, and size: 11 points.
- Abstract should include purpose of study, methodology, summary of findings/results, conclusion and significance / contributions of study.
- List a maximum of 5 key words.
- Title, author's name, affiliation, address, telephone and fax number, and email address should be included.
- Abstract should be written in English.
- Standard formatting such as bold, underline and dot points can be used.
