About Us

It's a Right Time to choose the Right Way of Success, Aim of Brainymeet International Conferences, Open Access Journals and Awards is to provide the Platform for Researchers across the world to recognize their Achievements, and also its provides a forum to the appropriate target group by organizing Planned Annual Meetings with the aim of generating new knowledge and better understanding. The unprecedented levels of discovery and innovation that are the hallmarks of recent decades are giving birth to entirely new meetings, which are in turn stimulating further advances, new opportunities, fresh insights and serve as a Continuing Force for Progress.

Benefits of Membership

- Members can become Chief guest / Keynote speaker/ Session Chair/ Co host & Co-organizer of the Events
- Members can attend all the virtual conferences at free of cost until the membership gets over
- Members can attend 2 Physical conferences at free of charge
- Members profile will be nominated for Researcher Award,
- Members can conduct conference in their Institute and conference certificates will be provided from our organization
- Member can become a reviewer/ Chief Editor of the Journal
- Members can publish their Review / Research in International Journals
- Softcopy of the Proceeding will be given for each and every conference
- Hard Copy of the participation and Award winning certificates will be sent by post to the residential Address
- 80 G will be applicable

Key Features

- 1 year Individual membership
- Hard copy of certificate will be sent to your address
- Best Paper will receive separate certificate Best Presentation will be selected by session chairs
- Interact With Eminent International Speakers
- Showcase your latest research findings through either the means of an oral or poster presentation

Call For Paper

Abstract/ Paper for presentation in the conference are invited from Practitioners, Research Scholars and P.G. & U.G. Students. Authors are requested to send Abstract/ Paper by e-mail: virtualconference2024@gmail.com

About Conference

We are glad to announce the International Virtual Conference on Computer Science & Engineering to be held on 01&02 -Mar-2024 organized by Brainymeet and its editorial Board Members. This conference is a unique international platform that's a confluence of all stake holders of the ecosystem – Industry, Academia, Researchers, Innovators, Regulators – gather to present and discuss about the above said areas.
and experts

Conference Tracks

- Computer and Information Science
- Computer Network and Security
- Applications of Computer Science and Engineering
- Computer Science & Engineering
- Cloud Computing
- Artificial Intelligence & Machine Learning
- Sensors, Networks, Devices
- Software Engineering and Programming
- Big Data Analytics and Data Science
- Computational Intelligence
- Human-Computer Interaction
- Algorithms in Bioinformatics
- Scientific Computing

All the Topics under computing and Electronics Engineering will be accepted for the conference

HOW

Priming of Plant Immunity

The sensitization of stress responsiveness during induced resistance is called priming.

Priming boosts the plant's defensive capacity and brings it into an alert state of defense.
