ABOUT US

It's a Right Time to choose the Right Way of Success, Aim of VDGGOOD International Conferences, Open Access Journals and Awards is to provide the Platform for Researchers at he world to recognize their Achievements, and also its provides a forum to the appropriate target group by organizing Planned Annual Meetings with the aim of generating new knowledge and better understanding. Our world is undergoing a revolutionary period in the creation and dissemination of new knowledge and innovation in many disciplines. Simultaneously humans are on a journey to the achievement of self-actualization, which relates to the ultimate fulfillment of one's potential. To improve the common man's life by developing new innovative Medical and Engineering ideas, Technical tools or models or products of their need. These new ideas and knowledge may be disseminated to the common man by organizing conferences, workshop, seminars and/or awareness programs and by publishing high quality academic international Books, or Journals, or Magazines or Tracts/Pamphlets on any subjects/topics, which is related to the overall growth/improvement/uplift of all sections of society.

ABOUT CONFERENCE

This Conference will gather to learn, share knowledge, and discuss how to advance their professional development and clinical performance at this timely scientific gathering. Nurses play a critical role in providing high-quality care to patients. To stay up-to-date with the latest advancements in healthcare, it is essential for nurses to continue learning and growing throughout their careers. We anticipate that this conference will play an essential role in providing a global forum in 2024 for people to share their thoughts and ideas on the issue of universal healthcare. The colloquium will provide exposure to current nursing and healthcare research. Attendees at the conference can participate in keynote speeches, panel discussions, small group sessions, and poster presentations. It will also give an overview of new inventions and processes. Since it provides critical information in the field of nursing research, it is very valuable for student nurses and fellowship owners. It also allows enterprises to present their products and have face-to-face interactions with scientists, allowing them to expand their commercial potential.
