About the Conference

Dear Attendees,

We are glad to announce the International Conference on Science, Technology and Management, to be held on 18-Feb-2023 organized by VDGGOOD and its Board Members. This conference is a unique international platform that's a confluence of all stakeholders of the ecosystem – Industry, Academia, Researchers, Innovators, Regulators – gather to present and discuss about the above said areas. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

innovation in many disciplines. Simultaneously humans are on a journey to the achievement of self-actualization, which relates to the ultimate fulfillment of one's potential. The unprecedented levels of discovery and innovation that are the hallmarks of recent decades are giving birth to entirely new meetings, which are in turn stimulating further advances, new opportunities, fresh insights and serve as a 'Continuing Force for Progress'. To improve the common man's life by developing new innovative Medical and Engineering ideas, Technical tools or models or products of their need. These new ideas and knowledge may be disseminated to the common man by organizing conferences, workshop, seminars and/or awareness programs and by publishing high quality academic international Books, or Journals, or Magazines or Tracts/Pamphlets on any subjects/topics, which is related to the overall growth/improvement/uplift of all sections of society.

Why do I need to attend ICON 2023?

- ❖ Virtual Event – At this pandemic situation, it's the safest way to keep closer to the other scientists.
- ❖ Hard copy will reach at your doorstep.
- ❖ Participant's name will be nominated to "Research Awards 2023"
- ❖ Attendees will get 6 month membership at free of cost.
- ❖ A scientific account will be open & will maintain to keep and promote your records for next 6 months.
