

About Us

It's a Right Time to choose the Right Way of Success, Aim of VDGGOOD International Conferences, Open Access Journals and Awards is to provide the Platform for Researchers across the world to recognize their Achievements, and also it provides a forum to the appropriate target group by organizing Planned Annual Meetings with the aim of generating new knowledge and better understanding. The unprecedented levels of discovery and innovation that are the hallmarks of recent decades are giving birth to entirely new meetings, which are in turn stimulating further advances, new opportunities, fresh insights and serve as a 'Continuing Force for Progress'. To improve the common man's life by developing new innovative Medical and Engineering ideas, Technical tools or models or products of their need. These new ideas and knowledge may be disseminated to the common man by organizing conferences, workshop, seminars and/or awareness programs and by publishing high quality academic international Books, or Journals, or Magazines or Tracts/Pamphlets on any subjects/topics, which is related to the overall growth/improvement/uplift of

About the Conference

Dear Attendees,

We are glad to announce the International Conference on Emerging Trends in Academic Research to be held on 27-Jun-2023 organized by VDGGOOD and its editorial Board Members. This conference is a unique international platform that's a confluence of all stakeholders of the ecosystem - Industry, Academia, Researchers, Innovators, Regulators - gather to present and discuss about the above said areas. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

“Why should one attend an International Conference?”

In today's fast changing world, attending a conference has become a “must” to survive in an academic discipline. Many academics have become aware of this fact as the number of conferences and participants increase dramatically. Conferences offer benefits that you simply can't get hermetically sealed in your cube. Attending international conferences allows you the opportunity to listen to different points of view and to learn new ideas and trends in your field across the Globe. Meeting new people with different cultures and dispositions enlightens your way of thinking in your field of study. You will witness some of the many different aspects and solutions which exist on the same issues. They also provide you with new techniques, new types of equipment, data to publish, and certain facts that you may not have heard of. International Conferences present numerous invaluable opportunities to refine your vision by learning new skills in a different environment.
