About Us

It's a Right Time to choose the Right Way of Success, Aim of VDGOD International Conferences, Open Access Journals and Awards is to provide the Platform for Researchers at the world to recognize their Achievements, and also its provides a forum to the appropriate target group by organizing Planned Annual Meetings with the aim of generating new knowledge and better understanding. Our world is undergoing a revolutionary period in the creation and dissemination of new knowledge and innovation in many disciplines. Simultaneously humans are on a journey to the achievement of self actualization, which relates to the ultimate fulfillment of one's potential. To improve the common man's life by developing new innovative Medical and Engineering ideas, Technical tools or models or products of their need. These new ideas and knowledge may be disseminated to the common man by organizing conferences, workshop, seminars and/or awareness programs by publishing high quality academic International Books, or Journals, or Magazines or Tracts/Pamphlets on any subjects/topics, which is to the overall growth/improvement/uplift sections of society.
