About Conference

We are glad to announce the International Virtual Conference on Environmental Science to be held on 30-Dec-2023 organized by VDGGOOD and its editorial Board Members. This conference is a unique international platform that's a confluence of all stake holders of the ecosystem – Industry, Academia, Researchers, Innovators, Regulators – gather to present and discuss about the above said areas. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts

Why should one attend an Conference

In today's fast changing world, attending a conference has become a "must" to survive in an academic discipline. Many academics have become aware of this fact as the number of conferences and participants increase dramatically. Conferences offer benefits that you simply can't get hermetically sealed in your cube. Attending international conferences allows you the opportunity to listen to different points of view and to learn new ideas and trends in your field across the Globe. Meeting new people with different cultures and dispositions enlightens your way of thinking in your field of study. You will witness some of the many different aspects and solutions which exist on the same issues.

Why should one attend an Conference

- They also provide you with new techniques, new types of equipment, data to publish, and certain facts that you may not have heard of. International Conferences present numerous invaluable opportunities to refine your vision by learning new skills in a different environment.
- Interact With Eminent International Speakers
- Participate in Stimulating Case discussions
- Join Special Interest Groups
- Access New and Profound Research Ideas
- Showcase your latest research findings through either the means of an oral or poster presentation
