## **ABOUT THE CONFERENCE**

The “Women, Gender, and Leadership: Redefining the Power Paradigm” conference. This dynamic event aims to critically examine and reshape traditional power paradigms, focusing on women, gender, and leadership. Scholars, researchers, and professionals from diverse backgrounds will converge to explore topics such as women in leadership, gender equality, and feminist leadership models. The conference provides a platform for interdisciplinary discussions, fostering collaboration and the exchange of ideas to address contemporary challenges and opportunities in the realm of women and leadership. With india as the backdrop, participants can anticipate a culturally rich atmosphere that enhances networking, knowledge sharing, and the collective endeavor to redefine and promote inclusive leadership models.

## **SCOPE OF THE CONFERENCE**

The scope of this gender equality conference 2024 is vast and covers a wide range of topics relevant to the challenges and opportunities faced by individuals of all genders in various aspects of society. This conference will discuss issues related to gender equality, exploring strategies to eliminate discrimination, biases, and barriers that hinder the progress of women in leadership roles. Further, we will teach you how to become a role model for women in your life.

In addition to addressing systemic issues, the conference will explore the personal and professional development of women, offering insights into leadership skills, negotiation strategies, and avenues for career advancement. It provides a platform for the exchange of ideas, best practices, and success stories that inspire and empower attendees. By covering a broad spectrum of topics, a conference on women, gender, and leadership contributing to the creation of more inclusive and equitable environments across various sectors.

## **OBJECTIVE OF THE CONFERENCE**

The objectives of this conference are promoting gender equality, empowering women, and addressing issues related to women's leadership. VDGGOOD Professional Associates provides a platform for academics, professionals, activists, and policymakers to share research findings, experiences, and best practices related to women, gender, and leadership. By showcasing successful stories of women leaders and highlighting effective strategies for change, conferences aim to inspire attendees to take concrete actions in their respective fields to promote gender equality. Workshops, training sessions, and discussions will focus on enhancing negotiation skills, communication abilities, and other leadership qualities among women. Women's Identity Conference 2026 contributes to the advancement of knowledge by providing a platform for researchers to present their findings, engage in scholarly discussions, and contribute to the academic understanding of women, gender, and leadership.
